

We are looking for you!

Technical draughtsperson (m/f/d)

We are a young and dynamically growing company. The Zimmermann PV-Steel Group has been developing, planning and supplying solar mounting structures for projects worldwide since 2009. Our portfolio comprises fixed tilt mounting systems, single-axis tracker systems and floating systems. As a fourth technology, we develop and design systems for Agri-PV applications. The company headquarters are located in Oberessendorf, directly on the B30 between Biberach and Ravensburg. For some years now, we maintain several sales offices and work closely together with distribution partners all over the world.

Your tasks:

- Project planning of substructures for solar installations
- Technical and economic project optimisation
- Creation of CAD drawings and pile-driving plans
- Preparation of assembly instructions
- Close cooperation with project managers and designers
- And much more...

What we offer you:

- Performance-related pay
- Flexible working hours
- Company pension scheme
- Bonus payments
- Annual Leave and Christmas benefits
- Job bike
- Charging stations for e-mobility
- Complimentary fruit, water and coffee
- And much more...

We offer optimal working conditions in our new office building. The working atmosphere and the team spirit are excellent.

What we expect from you:

- A completed vocational training as a technical draughtsperson or comparable training
- Strong communication skills
- Ability to work in a team
- High level of personal responsibility and implementation skills
- Innovative and self-motivated attitude
- Analytical and structured way of working

Please E-Mail your application to:

Zimmermann PV-Steel Group

Sandelholzstraße 1
88436 Oberessendorf
